

COOL DOWN FOR WARMTH

2022 Virtual Givebutter Fundraising

Learn more about **DOLLAR ENERGY FUND:**

For more than 38 years, Dollar Energy Fund has improved the quality of life for households experiencing hardships by providing utility assistance and other services that lead to self-sufficiency.

Many who receive a grant from the program are experiencing a temporary financial hardship, such as a job loss, medical emergency, or other circumstance beyond their control. An assistance grant can help keep them from enduring further financial hardship or having to choose between paying their monthly utility bills and purchasing food, medicine or other necessities.

NATIONWIDE NUMBERS:

758,500 limited-income households have received utility assistance since 1983.

\$229 Million in utility assistance grants have been distributed since 1983.

14 States are included in Dollar Energy Fund's service territory.

46 Utility Companies partner with Dollar Energy Fund to assist their customers in need.

More than 450 Community-Based Agencies are available to provide assistance with Dollar Energy Fund applications as well as refer other programs for necessities such as food, clothing, health services, childcare and more.

Visit www.dollarenergy.org to learn more.

PENNSYLVANIA IMPACT:

Pennsylvania's Hardship Program assists eligible utility customers with their gas, electric and water service by providing a one-time grant that is applied directly to their utility bill. The program is a fund of last resort because it goes above and beyond what is available through federal, state and other programs.

Last year, Dollar Energy Fund granted over **\$5.4 Million** in utility assistance to more than **14,000** families in Pennsylvania.

75% of grant recipients are either currently employed or receiving retirement or disability benefits.

Half of the households supported have children under the age of 18.

WHAT HAPPENS TO THE DONATIONS?

Our generous utility partners provide a **dollar-for-dollar** match for every donation we receive.

100% of all donations are used to provide utility assistance grants to limited-income households, not to cover administrative fees.

Donations will **stay within the area** it was received, to help your friend, family or neighbor restore or maintain safe utility service.

COOL DOWN FOR WARMTH
JANUARY 27, 2022
BROADCASTING ON KDKA-TV

Cool Down for Warmth is an annual fundraiser hosted by Dollar Energy Fund. Due to COVID-19, the annual ice house **will not** be constructed in the middle of Market Square. The 2022 Cool Down for Warmth event is going **virtual** with the help of our friends at KDKA-TV. During the televised event, community members and leaders will raise money and awareness for our most vulnerable neighbors in need of utility assistance.

VISIT OUR [FACEBOOK](#) PAGE TO VIEW PHOTOS FROM LAST YEAR!

Winter might feel far off right now, but for some of our struggling Pittsburgh neighbors, it's all they can think about. Imagine the stress of approaching the cold months with an apprehension that goes beyond snowy roads and is instead derived from the question no family should have to ask: will I make it through the winter? Limited-income families in our city will try to keep their houses warm so their children can sleep well at night. They will struggle to keep their pipes from freezing so they can shower for work. They will stretch their thin incomes and still not come up with the necessary funds to stay warm.

You can help by participating in our 8th Annual COOL DOWN FOR WARMTH!

By partnering with Dollar Energy Fund for a fundraising opportunity on **January 27**, you can raise funds that will go directly toward assisting these families in need.

Due to the COVID-19 pandemic, the annual ice house **will not** be constructed in the middle of Market Square. In the dead of winter, KDKA-TV will host a virtual Cool Down for Warmth so we can all continue to stay safe and practice social distancing. The goal of the program remains the same - to build awareness of the many families who will go without heat during the harsh winter months, while attempting to raise money for utility assistance grants.

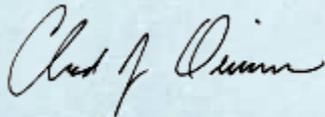

Community members, leaders, and willing participants will work toward their minimum fundraising goal of \$1,000 (or \$2,500 for a team). All donations collected will receive a dollar-for-dollar match from our partnering utility companies. All donations and matching funds will be used to help approximately six families per individual fundraising participant, or 16 families per team.

As a participant, this packet will provide you with all the necessary tools you'll need to reach out to your family, friends and co-workers and obtain donations, including social media messaging and access to a personal web-based donation portal. We want you to succeed for the sake of our clients, so we'll do anything we can to help make your campaign a success!

NEW THIS YEAR: Dollar Energy Fund is using a new fundraising platform called Givebutter. Givebutter is a secure and reputable platform that will allow our fundraising participants and donors to collect funds in a safe and easy way.

Visit our fundraising website at www.givebutter.com/CoolDownforWarmth2022 to get started today! If you have any questions regarding the Cool Down for Warmth event, we encourage you to contact us at events@dollarenergy.org.

Sincerely,

Chad Quinn
CEO

PARTICIPANT FAQS:

As part of Dollar Energy Fund's goal to help local families maintain or restore their utilities during this challenging time, we will host the 8th Annual Cool Down for Warmth virtually on KDKA-TV. All donations will receive a dollar-for-dollar match from our partnering utility companies and 100 percent of the donations and matching funds will be used to provide utility assistance grants to local families in need through Dollar Energy Fund's Hardship Program.

HOW WILL IT WORK?

Sign up on Givebutter to participate in the Cool Down for Warmth event and work toward raising a minimum of \$2,500 (team) or \$1,000 (individual) for Dollar Energy Fund.

DO I HAVE TO SIT IN AN ICE HOUSE?

Due to the COVID-19 pandemic, we will not be hosting our ice house in Market Square this year. Our 2022 Cool Down for Warmth is completely virtual, so you can raise funds and spread awareness from the safety of your own home!

HOW WILL DONATIONS BE COLLECTED?

Donors can contribute anytime **before or during the event** through your personal fundraising website on www.givebutter.com/CoolDownforWarmth2022.

We encourage participants to recruit as many donations in advance as possible.

All donations will receive a dollar-for-dollar match and 100% of all funds will go directly to provide utility assistance grants to local families in need.

WHAT IF I DON'T MEET MY GOAL?

Any amount of money helps! This packet will provide you with all the tools you'll need to reach out to your family, friends and coworkers before the event. We'll do anything we can to help make your campaign a success!

INTERESTED IN FUNDRAISING? SIGN UP ON GIVEBUTTER!

Thank you for committing to taking the Cool Down for Warmth challenge to help local families maintain or restore their utilities. This event will not only raise funds, but awareness for our cause and our sponsors.

1. SIGN UP ON GIVEBUTTER

Sign up on Givebutter by visiting

www.givebutter.com/CoolDownForWarmth2022.

Click on this step-by-step video that will guide you through setting up your personal fundraising page on Givebutter.

2. SPREAD THE WORD

Your campaign dashboard has tools to help you get the word out and view donations. Your personal fundraising link can be copied in your Givebutter dashboard. Email is one of the most effective methods to fundraise. Use the sample solicitation email in this packet to reach out to people in your network. Share your fundraiser on all social networks. Don't be afraid to ask early and often.

3. COLLECT DONATIONS

To keep things in order, we would prefer that you **conduct and collect most of your personal fundraising through your Givebutter page prior to the virtual event on January 27**. That's the easiest and best place for donors to make secure credit card donations. While not preferred, your donors can send checks to Dollar Energy Fund, P.O. Box 42329, Pittsburgh PA, 15203, during the fundraising period. By checking your personal fundraising page, you and your donors will be able to see the amount of money you have raised during any part of the campaign.

Offline donations may also be collected, such as cash or check. You can add these donations to your fundraising page by clicking on "Add Offline Donations". Mail offline donations to Dollar Energy Fund, P.O. Box 42329, Pittsburgh PA, 15203.

DON'T FORGET TO WHITELIST GIVEBUTTER EMAILS

Avoid missing important email updates from Givebutter! Whitelisting an email involves telling your email provider that you want emails from that sender to be allowed into your inbox rather than being filtered into spam. Add "Givebutter.com" to the Safe Senders or Approved Senders list. This feature can be found in your email settings.

SAMPLE SOLICITATION EMAIL:

Dear XXXXX,

Did you know many of our own neighbors are struggling to provide the very basics of livelihood, including safe utility service for their families. Many families in our city will try to keep their homes warm so their children can sleep well at night. They will stretch their thin incomes and still not produce the necessary funds to stay safe. In an effort to help, I am participating in a virtual fundraising event for Dollar Energy Fund called Cool Down for Warmth.

Last year, Dollar Energy Fund helped over 14,000 Pennsylvania families maintain or restore their utility service. I will be raising funds and awareness for the many families who may go without heat during the harsh winter months. I'm asking you to help me meet my fundraising goal of \$XXXX by making a simple donation on my personal web site - www.givebutter.com/_____.

All donations collected will receive a dollar-for-dollar match from local utility companies and 100% of the donations and matching funds will be used to help local families receive utility assistance grants.

I hope you can help me with this worthy cause. Please know that any amount you decide to give will go a long way to help our neighbors in need stay safe and warm this winter.

Tune in to the virtual Cool Down for Warmth event on January 27 on KDKA-TV to support Dollar Energy Fund and their mission. I wish you and your family the best for the upcoming holiday season.

Regards,
