West View Water Authority Hardship Program

The **West View Water Authority Hardship Program**, which is administered by Dollar Energy Fund, assists eligible utility customers with their **West View Water Authority** bills. Customers may receive a one-time grant applied directly to their utility bill. Our program is a fund of last resort because it goes above and beyond what is available through federal, state and other programs. **Program guidelines and eligibility requirements are subject to change.**

Program Dates:

Open from **October 1, 2021, through September 30, 2022**, for services that are **off or in threat of termination only**.

Grants are dispersed on a first come, first serve basis to eligible applicants while funding is available.

Sincere Effort of Payment:

Applicants must have paid at least **\$100** on their accounts in the past three months. **Senior Citizens**, age 62 and over, must have paid at least **\$50** on their accounts.

Balance Requirement:

Applicants must have an outstanding balance on their utility bill of at least **\$100**.

Senior Citizens, age 62 and over, must have an outstanding balance of at least **\$50**.

Maximum Grant:

The maximum grant amount an applicant may receive is **\$100**.

Applicants can only receive a grant **once every six months**.

Grant awards are based on need and each family's circumstances are different. Grant amounts are determined on a case-to-case basis.

If a customer's utility service is off or in threat of termination when they apply and the maximum grant amount will not restore service or stop termination, the application will be denied. The amount needed to restore service or stop a termination is determined by utility review. Notification will be sent to the customer advising them that their application was denied and that an additional payment is required in order to be considered for assistance.
