

2022 - 2023

AEP Ohio Neighbor to Neighbor Program

The **AEP Ohio Neighbor to Neighbor Program** lends a hand to those who are experiencing financial hardships and need help to get back on their feet. Administered by Dollar Energy fund, the program provides eligible customers with a utility assistance grant applied directly to their **AEP Ohio** bill. This grant helps limited-income customers maintain or restore their basic electric service. **Program guidelines and eligibility requirements are subject to change.**

Program Dates:

Heating Program

Open from **October 3, 2022, through April 28, 2023**, for services that are **off or in threat of termination**.

Cooling Program

Open from **July 3, 2023, through September 26, 2023**, for services that are **off or in threat of termination**.

Grants are dispersed on a first come, first serve basis to eligible applicants while funding is available.

Balance Requirement:

Applicants must have an outstanding balance on their AEP Ohio bill of at least **\$50**. Applicant must be behind on bill payment 30 days or more.

Sincere Effort of Payment:

Applicants must have paid at least **\$75** on their accounts in the past three months. Exceptions apply for customers who are Veterans, Active Duty Military, and those on Life Support.

Maximum Grant:

The maximum grant amount an applicant may receive is **\$500**.

Applicants can only receive two grants per program year (**10/3/2022 – 9/30/2023**) during either the heating or cooling program periods.

Grant awards are based on need and each family's circumstances are different. Grant amounts are determined on a case-by-case basis.

If a customer's utility service is off or in threat of termination when they apply and the maximum grant amount will not restore service or stop termination, the application will be denied. The amount needed to restore service or stop a termination is determined by utility review. Notification will be sent to the customer advising them that their application was denied and that an additional payment is required in order to be considered for assistance.

Additional Guidelines:

- All applicants must provide verification of income.
- Income-eligible clients must apply for Heating HEAP, Cooling HEAP, Winter CRISIS, Summer CRISIS and PIPP when those programs are open.
- Account must be residential, single home or apartment. No "cooking only", commercial, industrial, or apartments with shared utility service.
- Name on account must be that of an adult who is currently living in the home.
- Dollar Energy Fund grants cannot be used to cover security deposits or reconnection fees.

Income Guidelines:

Total gross household income must be at or below **300% of the 2022 Federal Poverty Income Guidelines*** as shown in the chart below. ***Income guidelines are subject to change.***

Household Size	300% Monthly	300% Yearly
1	\$3,398	\$40,770
